*Read*—the following Proceedings of the Board of Revenue, dated 10th June 1882, Mis. No. 4279:—

Read—the following letter from J. LEE-WARNER, Esq., Acting Collector of Nellore, to the Secretary to the Board of Revenue, dated 26th May 1882, No. 2460:—

In their Order, No. 366, dated the 2nd February 1877, Public Works Department, Government were pleased to sanction an estimate, amounting to Rs. 14,750, for constructing a second-class Cutcherry at Kotah, with a remark that funds were not then available. Though more than five years have elapsed since, no measures appear to have been adopted by the Public Works Department to procure funds and to construct the building.

2. Since the transfer of the Sub-Magistrate's head-quarters to Kotah in 1873 (*vide* G.O., No. 1385, dated 10th December 1873), the office has been held in a private rented building, the only one available in the village. The Sub-Magistrate bitterly complains that he has been put to a great deal of inconvenience from the insecure state of this building; and I have ascertained from inquiries that his complaint is well grounded, and it is difficult, if not impossible, to secure a better building for rent in the village.

3. Under the circumstances above set forth, I request that early means may be found to provide funds for the work.
