READ—the following paper :—

No. 291.

Report to accompany the abstract estimate of Rs. 2,077 for constructing a second-class Police Station-house at Shoranur, Malabar District, West Coast Division.

1. The estimate was prepared June last at the request of the Superintendent of Police, in accordance with the Standard Design No. 2 A (Sheet No. 15, tiled roof,) approved of in G.O., No. 1828, dated 2nd August 1880, with the exception of the foundation, which of course has been increased in depth 6 inches more than what is allowed for in the printed estimate of that design.

2. The erection of the building in question is essentially required, as the Police Station is at present kept in a narrow rented building close to the Post Office, belonging to a private individual.

3. Site has been selected and a sketch plan of the same is herewith sent.

4. The Inspector-General of Police has approved and countersigned both the site plan and estimate, the latter amounting to Rs. 2,077 may be sanctioned. The above officer states that the work may be carried out in the next official year, as there is no chance of getting money for it in 1882-83.
