RESOLUTION.—In the papers read above it is shown that the rules published in 1877, regulating the scale on which charges for compensation for sittings provided for soldiers in Roman Catholic and other Chapels should be admitted are not applied generally, and that there are some Chapels which receive fixed grants in excess of scale under special orders of the Government of India. It is, however, considered expedient that the rules of 1877, which are considered quite liberal enough in themselves, should be applied without exception from a fixed date. The Governor-General in Council has therefore resolved that, from 1st January 1885, the rules of 1877, incorporated in Public Works Department Code, Chapter XI, paragraphs 58 to 61, shall be enforced in their entirety, and that all special grants sanctioned from time to time in individual cases should cease from and after the date specified.

2. This order will apply only to Chapels for which fixed grants have been specially assigned, and is not intended to disturb the arrangements in those cases in which special grants have not been assigned and where the rules in question have already been brought into effect.

ORDER.—Ordered, that the foregoing be communicated to the Local Governments and Administrations and Officers noted in the margin, with the request that this order may be intimated to all concerned.
