GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General Account.

No. 60.

READ—the following papers :—

From Colonel H. D. CLOETE, Officiating Inspector-General of Police, to the Secretary to Government, Public Works Department, dated Madras, 20th July 1882, No. 3673 :—

With reference to G.O., No. 1705 W., dated 7th instant, Public Works Department, I have the honor to point out that a sum of Rs. 996 was sanctioned * from the "Reserve" for completing the alterations and additions to the Police Station-house at Cuddapah in 1881-82, out of which Rs. 88 only appear to have been utilised last year and the balance (Rs. 908) probably lapsed to the "Reserve." This sum should therefore be a charge against the "Reserve" of 1882-83, in the same way as the sums (Rs. 754 and 1,620) sanctioned for completion of the works in the Nellore and Trichinopoly Districts, (Items Nos. 8 and 33,) respectively entered in the statement furnished with the Government Order in question. But it is now found appropriated from the Rs. 10,000 (Budget Item No. 36), which sum has been found insufficient for sanctioned emergent new works (uncommenced) as shown in my letter No. 3410, dated 6th July 1882.

* *Vide* G.O., No 594 W., dated 8th March 1882, Public Works Department.

2. A further sum of Rs. 1,020 for completion of works named in the margin is required this year and the works are not found in the statement under reference. The first item (Rs. 433) was probably omitted being less than Rs. 500, for which no specific appropriation is necessary under the rules, and the latter (Rs. 587) should come out of the "Reserve" as well as the work is to be completed by the Department Public Works.

	Rs.
Anantapur District.	
1 Station-house at Lapatchy, G.O., No. 1293, dated 1st July 1881, Judicial Department	433
North Arcot District.	
1 Station-house at Davalumpett, G.O., No. 1261 W., dated 28th June 1881, Public Works Department	587
Total ...	1,020

3. With reference to the appropriation of Rs. 1,125 (Item No. 41) from the Budget Item No. 36 (Rs. 10,000), for five Police huts at Andimadam in the Trichinopoly District, it will be observed that this money was previously sanctioned for appropriation from the "grant for Minor Works" (Budget Item No. 46), *vide* paragraph 2 of G.O., No. 883 W., dated 3rd April 1882, Public Works Department. Thus there appears to be a double appropriation for the same work in one year. This work was consequently omitted from the List A submitted with my letter quoted in paragraph 1 above for appropriation of the Rs. 10,000.

4. A sum of Rs. 1,050 is also appropriated for five huts at Yellumallai, Madura District, from the Budget Item No. 36. This work was also omitted from my list

recently submitted to Government, the Superintendent having intimated that there are no works to be provided for from the Department Public Works Budget this year, and it may be included in the List B (showing works for which no appropriation can be made in 1882-83) which accompanied my letter No. 3410 of 1882, quoted above. This work was not commenced last year for want of a site, and it is not yet known whether one has been secured for the purpose. The money thus set free is recommended for the works named in my List A above.

5. Further two items (Rs. 1,197 and 1,017) for four Police huts at Manúr (entered as Marúr in the statement Item No. 43) and for as many at Pavur (Item No. 45) respectively in the Tinnevelly District, have been shown for appropriation this year, which will be found omitted from my List A and included in that of B for want of sufficient funds in 1882-83.

6. A list of works for appropriation of Rs. 10,000 referred to was called for by Government, and it was submitted on the 6th instant, the necessary information having been first obtained from districts. In the absence of this list the several appropriations mentioned above appear to have been sanctioned. I request that necessary alterations may be made and appropriations, according to my List A, be sanctioned, with a view to equal distribution of available funds to several districts, according to importance of works included therein, should Government see no objection to this measure.

7. Should the proposals herein made meet with the approval of Government, I request that fifteen copies of sanctioned revised list (A) with orders thereon may be furnished to this office for distribution to the officers concerned.

No. 60-A.

From Colonel H. L. PRENDERGAST, R.E., Superintending Engineer, Fifth Circle, to the Chief Engineer, Public Works Department, dated Chepauk, 25th July 1882, No. 1562:—

I have the honor to bring to your notice, with reference to G.O., No. 1776 W., dated 13th July 1882, that funds * are not provided for the Police Station-house at Valathee in the South Arcot Division, as contemplated in G.O., No. 1072 W., dated 1st May 1882.

* Rs. 1,115.

2. There is also a demand for Rs. 2,120 for a Police Hospital ward and latrine at Tirukoilúr in the same division, for which work it was intended in G.O., No. 12 W., dated 7th January 1881, that funds should be provided from the Provincial Reserve of 1881-82.

No. 60-B.

From the same Officer, dated Chepauk, 4th August 1882, No. 1680:—

With reference to my letter No. 1562 of the 25th ultimo, I have the honor to report that I made a mistake in not representing that funds were provided for—

	Rs.
Police Station-house at Valathee in South Arcot	1,115
Police Hospital ward, &c., at Tirukoilúr	2,120

These two works were contemplated in my statement of requirements of funds dated 10th March 1882, and the amount, Rs. 3,235, is included in the allotment of Rs. 3,435 given in G.O., No. 1209 W. of the 12th May 1882.

2. I do not however feel quite sure whether Police works costing less than Rs. 2,500 each are meant to be carried out only from the provision of Rs. 10,000 in the Provincial Budget for 1882-83. I therefore request that I may be informed if the two sanctioned works may be carried out upon the grant of Rs. 3,435 under Provincial Minor New Works, Civil Buildings.

4. The following appropriations of funds are made from the Provincial Reserve:—

5. The sum of Rs. 1,125, appropriated in G.O., No. 1705 W., dated 7th July 1882, for constructing five Police huts at Andimadam having been cancelled by paragraph 1 of this order, the Inspector-General of Police will suggest how funds are to be provided for this work. In G.O., No. 883 W., dated 3rd April 1882, this work was ordered to be carried out from the Minor Works grant of the Trichinopoly Division, but as the grant was only Rs. 250 funds could not have been provided from that source.

6. The sum of Rs. 3,235, alluded to in letter No. 1,680 from the Superintending Engineer, Fifth Circle, as having been included in the allotment made in G.O., No. 1209 W. of 12th May 1882, under Minor Works, Civil Buildings, for the Police Station at Velathee, and for the Police Station ward at Tirukoilúr, is withdrawn and

credited to the Provincial Reserve. Rs. 1,115 have been appropriated above for the first work from Budget Item No. 36, and the second work is one of those which the Inspector-General of Police wishes to have carried out in 1883-84.

The 1st item (Rs 433) was probably omitted being less than Rs 500 for which no specific appropriation is necessary under the rules and the latter (Rs 587) should come out of the "Reserve" as well as the work is to be completed by the D.P.W.

6. A list of works for appropriation of Rs 10,000 referred to, was called for by Government and it was submitted on the 6th instant, the necessary information having been first obtained from Districts. In the absence of this list, the several appropriations mentioned above, appear to have been sanctioned.
