GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

No. 96-A.

Read—G.O., dated 10th August 1882, No. 701, Judicial.

From G. HAMNETT, Esq., Inspector-General of Registration, to the Chief Secretary to Government, dated Ootacamund, 1st August 1882, No. 2486.

I have the honor to enclose an extract from my Notes of Inspection on the 27th March last, of the Sub-Registry Office at Tiruvallúr, in the District of Chingleput, and to request that the sanction of the Government may be obtained for adding a room to the Taluk Cutcherry at that station for the use of the Sub-Registrar.

2. The Registrar of the district has had an estimate prepared by a local native contractor, amounting to Rs. 950. I sent the estimate to the Executive Engineer, Chingleput Division, and asked him to inform me whether he saw any objection to the addition proposed being made. I added—

"In my opinion such work ought to be carried out by your department to ensure the work being properly done and in unison with the original design of the Cutcherry."

3. The Executive Engineer in reply points out:—

"That without the elevation of the proposed building being sent it is impossible to tell whether the proposed extension is in unison with the original design."

4. I have not the means of preparing the elevation desired, and beg that the papers may be transferred to the Public Works Department for issue of the needful orders.

Enclosure.

Extract from the Notes on the inspection of the Tiruvallúr Sub-Registry Office.

"The office was last inspected by the late Acting Inspector-General in 1880. It is held in a room attached to the Taluk Cutcherry measuring 18 × 9 feet, and contains two almirahs, two desks, one table, two benches and three chairs. There is no accommodation for parties who have to be kept in the verandah. This is not satisfactory. An additional room is required in which the Registrar, his clerks and parties can transact business, and the existing room can then be utilized as a record-room. The Registrar will bring up the subject.

Order—dated 10th August 1882, No. 701, Judicial.

Transferred to the Public Works Department.
