GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

No. 119.

READ—the following G.O., dated 12th August 1882, No. 724, Judicial.

From G. HAMNETT, Esq., Inspector-General of Registration, to the Officiating Chief Secretary to Government, dated Ootacamund, 29th April 1882, T. No. 1013.

I have the honor to request that you will be pleased to obtain the sanction of the Government for the construction of a Sub-Registrar's Office at Chinnamanoor, in the district of Madura, on the standard design.

2. In September last year the Registrar brought to notice that a new Taluk Cutcherry was to be built at Uttamápáliem, and that provision should be made in it for the accommodation of the Sub-Registrar. I replied that if there was a prospect of a Cutcherry being built at once provision might be made in it, concluding that the transfer of the Sub-Registry Office at Uttamápáliem would not subject parties to any great inconvenience.

3. The Sub-Registrar sends up a letter* now from the Executive Engineer, Madura Division, saying that he "ex-

* Dated 17th April 1882, No. 99. expects there will be great delay in the construction of the Deputy Tahsildar's Cutcherry at Uttamápáliem," and recommending that a Sub-Registry Office be built at Chinnamanoor.

No. 119-A.

From the same Officer, dated Ootacamund, 1st August 1882, T. No. 2485.

With reference to official memorandum from the Judicial Department, No. 716, dated the 8th May last, I have the honor to enclose a list of the villages in the Sub-District of Chinnamanoor in the district of Madura, showing their relative distance in miles from Uttamápáliem and Chinnamanoor, respectively. Judging from the distances Chinnamanoor seems to me the best registration centre, but Mr. Crole, the Acting Collector, thinks that the Sub-Registrar should be located at Uttamápáliem "in preference to Chinnamanoor." I have no personal knowledge of the district, but agree with Mr. Crole, as it appears from the Executive Engineer's letter to his address that there is a probability of the new Taluk Cutcherry at Uttamápáliem being commenced "next year."

2. As a rule it is desirable that the Registration Office should be located at the same station at which the Taluk Cutcherry is placed.

18TH AUGUST 1882, No. 2125 W., PUBLIC WORKS.

Order—dated 12th August 1882, No. 724, Judicial.

The location of the office at Uttamápáliem is approved, and this letter transferred with copy of Proceedings No. 1446 to the Public Works Department for the necessary orders.

To,
The Honorable C. G. Master
Chief Secretary to Government
Madras
Dated Madras 1st August 1882.

Sir,
With reference to official Memorandum from the Judicial Department, No 719, dated the 8th May last, I have the honor to enclose a list of the villages in the sub district of Chinnammannur in the district of Madras, showing their relative distance in miles from Uttamapoliem and Chinnammannur, respectively. Judging from these distances Chinnammannur seems to be the best registration centre, but Mr. Brade, the Acting Collector, thinks that the Sub Registrar should be located at Uttamapoliem in preference to Chinnammannur. I have no personal

Knowledge of the district but agree
with Mr. Crde, as it appears from the
Executive Engineer's letter to his address
that there is a probability of the new
Taluk Cutcherry at Uttamapoliem
being commenced "next year".

that the registration office should be

the Taluk Cutcherry is placed.

I have the honor to be,

Sir,
