Read—the following letter from W. LOGAN, Esq., Collector of Malabar, to the Acting Secretary to the Board of Revenue, dated Calicut, 8th July 1882, No. 2016 :—

Referring to G.O., Revenue Department, No. 1118, dated 21st May 1879, I have the honor to inform you that the Brennen property at Tellicherry is now in the hands of the Administrator-General, who in a recent communication to the Sub-Collector states that the Secretary to the Treasury (appointed as the Committee of the estate of the lunatic) can give a valid title to the property, and is willing to do so. He has asked whether the Government is still willing to purchase the property and what sum they will offer for it.

2. Under these circumstances I beg to renew my recommendation that the property should be purchased for a sum not exceeding Rs. 18,000, but whether the whole of that amount should now be offered is a question on which I defer an opinion until I have a report from the Executive Engineer as to the state of repair of the buildings.

3. Meanwhile it will facilitate matters if the Government will empower me, as they did on a former occasion (G.O., Revenue Department, No. 3299, dated 23rd November 1877,) to effect the purchase at the sum named (Rs. 18,000), and I solicit orders accordingly.

4. I am in treaty with the local Agent of the Madras Bank for the purchase of the property mentioned in paragraph 6 of the letter published with the Government Order last above quoted, so that possibly a payment of Rs. 8,000 (as proposed on the last occasion) will be all that is required.

Resolution—dated 19th July 1882, No. 1816.

Submitted for the orders of Government with the Board's recommendation that the sanction previously accorded may be renewed.
