GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

No. 155.

READ—the following letter from Colonel T. E. TENNANT, Inspector-General of Jails, to the Chief Engineer and Secretary to Government, Public Works Department, dated Ootacamund, 16th August 1882, No. 213 :—

During the recent heavy rains a portion of the north wall of the District Jail at Ootacamund has fallen. It will be necessary to rebuild it, and I have the honor to submit an estimate, amounting to Rs. 1,862, for which I request you will obtain sanction of Government.

2. On examining the remaining portion of the wall I find that it forms the back of the store godowns which are erected against the wall, and affords great facilities of escape. I therefore propose, when rebuilding the boundary wall, to leave a clear space of 30 feet between the wall and the store godowns, as no erection should be made against the boundary wall of a jail. The estimate provides for this arrangement.

3. Funds are available in the allotment to the Jail Department sanctioned in G.O., No. 789, dated 26th July 1882, Financial Department, for petty constructions and repairs under "34, Other Public Works in charge of Civil Officers."

No. 156.

ORDER—dated 24th August 1882, No. 2181 W., Public Works.

The estimate, amounting to Rs. 1,862, for rebuilding a portion of the north boundary wall of the District Jail at Ootacamund, is sanctioned for execution by the Jail Department.

2. This sanction has been registered as Provincial (Convict Labor Fund) No. 87 W. of 1882-83 and classified as Civil Buildings, Original Works.
