READ—the following papers :—

G.O., dated 12th July 1882, No. 546, Educational.

Read—the following letter from H. F. CLOGSTOUN, Esq., Officiating Accountant-General, to the Chief Secretary to Government, dated Fort St. George, 4th July 1882, No. 2567 :—

With reference to your endorsement, No. 423, dated the 22nd June 1882, on G.O., No. 1336 W., dated 29th May 1882, Public Works Department (herewith returned), I have the honor to state that the sanction of the Government of India is necessary to the rules regulating the grant of travelling allowance to Apprentice Overseers, who are not appointed direct from the College, when they proceed to join their first appointment.

Order—dated 12th July 1882, No. 546, Educational.

Transferred to the Public Works Department with reference to the ruling of the Government of India contained in their letter, No. 754 G., dated 30th May 1882, embodied in G.O., 16th June 1882, No. 1512 W.

(Signed) G. S. FORBES,
Acting Under Secretary.

No. 159-A.

From D. C. GORDON, Esq., Examiner of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Madras, 15th July 1882, No. 53 W.

Adverting to paragraph 2 of G.O., No. 1512 W., dated 16th June 1882, I have the honor to forward, herewith, a statement of approximate charges during current official year on account of the pay and allowances of Apprentice Supervisors and Overseers and their Instructors.

2. The date from which the pay and allowances of the Apprentices, &c., are chargeable to the Public Works Department has not been stated, but the statement has been prepared on the assumption that they are chargeable from 1st March 1882.

3. The rates of travelling allowance hitherto admitted to these Apprentices have been regulated with reference to rules applicable to the Civil Department, but now that their pay is chargeable to the Public Works Department, definite instructions of the Government of India should be obtained as to the rates of travelling allowance admissible to them.

4. Attention is also invited to paragraphs 5 and 6 of my Office Note, No. 285, dated 6th July 1882, and to my letter printed with G.O., No. 1336 W., dated 29th May 1882.

No. 159-B.

Office Note from the Examiner of Public Works Accounts, to the Secretary to Government, Public Works Department, dated 12th August 1882, No. 372.

On making a comparison between the final grant as modified to date and the total probable charges of the year as arrived at by multiplying the total audits for the month of May 1882 by 12, I find that the present provision under Establishment will probably be sufficient to meet the additional charges on account of the pay and allowances of Apprentice Supervisors and Apprentice Overseers. No further specific appropriation is therefore necessary at present. Another report on the matter will be submitted to you later on.

2. Your early orders on the other points referred to in my letter, No. 53 W., dated 15th July 1882, are solicited.

No. 159-C.

From D. C. GORDON, Esq., Examiner of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Madras, 15th August 1882, No. 72 W.

In continuation of this office letter, No. 53 W., dated 15th July 1882, I have the honor to inform you that, with reference to G.O., No. 1512 W., dated 16th June 1882, the Accountant-General, Madras, has in his Exchange Accounts for June 1882 debited this department with charges from 1st March 1882 on account of the batta and pay of Apprentice Supervisors and Apprentice Overseers and the allowances of Apprentice Overseers' Instructors.

2. I have accepted the debits provisionally pending the orders of Government already asked for.

LETTER—from

COLONEL R. H. SANKEY, C.B., R.E.,

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,

PUBLIC WORKS DEPARTMENT.

SIR,

In your letter, No. 754 G., dated 30th May 1882, it was ruled that the pay of Apprentice Overseers and the allowance to their Instructors should be provided in the Public Works instead of the Civil Budget. His Excellency the Governor in Council has accordingly directed this to be done. There are, however, one or two points still open, upon which the Examiner, Public Works Accounts, asks for definite orders.

2. The first is in connection with the rate of pay, Rs. 90, fixed for Apprentice Supervisors. Postings to this grade are made of men who pass out of the College with credit in the Senior Department with A.C.E. certificates, and who generally acquire in addition the University degree of B.C.E. It is not always convenient to post such men to the Engineering Establishment in the first instance, and as they may be regarded as possessing claims superior to those of ordinary Overseers, a compromise has been effected by posting them as Apprentice Supervisors on Rs. 90 per mensem. To this proceeding I am to request the definite approval of the Government of India.

3. Then as regards the travelling allowances admissible to students on first joining the department, I am to forward, for the information of the Government of India, a copy of Proceedings, No. 673 W., dated 16th March 1882, the rules contained in which are based on the provision of the Public Works Code. I am to request confirmation to these Proceedings, or such modified instructions as the Government of India may be pleased to lay down for future guidance.
