I have the honor to bring to notice that the Officer in charge Vizagapatam Division has, at the request of the Surveyor-General of India, prepared an estimate, amounting to Rs. 365, for repairing the Tidal Observatory at Vizagapatam, and put the work in hand in anticipation of sanction of funds, notwithstanding that the amount of the estimate is under Rs. 1,000, the building being in need of urgent repairs and the Survey Department having no other agency to carry out the work. I therefore

request you will be so good as to obtain an allotment of Rs. 365* from Port Funds (Excluded Local), from which the work was originally constructed, and also the orders of Government, under paragraph 1181 of the Public Works Code, approving of the course followed by the Executive Engineer.

2. The estimate has received the approval of the Surveyor-General of India.
