No. 27-A. From Major A. FILGATE, R.E., Deputy Secretary to the Government of India, Public Works Department, (Account—Military and Civil,) to the Secretary to the Government of Madras, Public Works Department, dated Fort William, 23rd December 1881, No. 99 A.—M. and C.

I AM directed to acknowledge the receipt of your memorandum, No. 3072 W. of the 10th instant, submitting for sanction certain re-appropriations of grants for the current year, and in reply to return the re-appropriation statement duly sanctioned by the Government of India. I am, however, to observe that the Government of India is desirous that the work of the combined Post and Telegraph Offices at Madras should be pushed on as rapidly as circumstances will permit, and in this view is prepared to provide more funds, if possible, to meet further outlay in the current year on these buildings if an early application is made by the Madras Government for any amount that can be expended with advantage.

2. In the meanwhile, with reference to the sum of Rs. 53,422 which, you state, the Madras Government has surrendered from its grant for the current year under "Other Services," I am to say that the Government of India is pleased to withdraw this sum from Madras for outlay elsewhere.
