Read—the following letter from W. LOGAN, Esq., Collector of Malabar, to the Secretary to Government, Revenue Department, Ootacamund, dated Calicut, 18th August 1882, No. 2406 :—

Adverting to the Board's Proceedings, dated 19th July last, No. 1816, submitting my proposal to purchase the Brennen property at Tellicherry on behalf of Government, I have the honor to forward herewith a copy of a letter received to-day from the Administrator-General, and to request that early orders may be passed in the matter.

ENCLOSURE No. 1.

From M. GOULD, Esq., Administrator-General, to the Collector of Malabar, dated Madras, 16th August 1882.

I have the honor to address you with reference to the purchase of Mr. Brennen's property at Tellicherry, viz., the two houses, one of which is at present occupied by the Sub-Collector, and the other was lately occupied by Dr. Hyde, and the small house formerly used as an office by Mr. Brennen. More than a month ago I received an offer from a native gentleman who is desirous of purchasing the property. I referred this offer to England and meantime suspended further negotiation, as I was requested by Mr. Cumming (the late Sub-Collector) to give you an opportunity of recommending to Government the purchase of the property.

The time is now approaching when I must resume negotiations for the sale of the property, and if it is your intention to advise Government to purchase, I would ask you to do so without delay. Would you also inform me what sum you propose to recommend as the price of the property? I may mention that I recently requested Mr. Murdoch Brown of Tellicherry to value the property for me, and he informed me that it was worth Rs. 22,000. My native friend above-mentioned has commenced with an offer of Rs 15,000. But I have reason to believe that he is willing to give more.

Requesting your early attention to this matter, I have, &c.
