REPORT on the estimate, Rs. 1,290, for improvements, &c., to the abandoned District Munsif's Court-house at Karikal.

One Abstract Estimate for Rs. 1,290.

This old Court-house has been unoccupied for, it is believed, thirteen years, and to place it in proper repair the roof, floorings, doors and windows require almost entire renewal.

The Educational and the Registration Departments are anxious to have the use of this building, and the Judge of South Canara has proposed to the High Court that the Munsif's Court from Barcoor should be moved to Karikal occupying the building.

3. There has been correspondence regarding the disposal of this building, but as yet nothing is settled, and it is feared that it will be some time before anything is decided as so many Departments have been consulted.

4. The Judge is of an opinion that the repairs (or improvements classed as new works) should be carried out, leaving the question of occupation for the future.

5. The Superintending Engineer considers that nothing should be done until this point is settled, as the Department that obtains it is sure to require alterations.
