No. 34.

READ—the following papers:—

From W. R. NORRIS, Esq., C.E., Executive Engineer, North Arcot Division, to the Superintending Engineer, Fourth Circle, dated Vellore, 1st July 1882, No. 666.

Having duly received the orders of Government conveying the sanction of the Secretary of State for India to my reappointment to the Public Works Department, I have the honor to beg through you as my Superintending Engineer that the question of my service for pension be now settled by Government.

2. I have the honor to state that I have not received any gratuity whatever, and that the only pension drawn by me was for the period between my retirement and that of my taking service under Local Funds, or from 1st April 1880 to 29th September following.

3. I actually joined the Local Funds and drew pay therefrom on the 24th September, but my pension was drawn up to 29th in England in ignorance of this fact.

4. At that time the orders of Government forbade Local Fund Engineers to draw any Government pension, but since then subsequent orders have permitted them to do so, and G.O., No. 2343 W., dated 22nd September 1881, clause ii, paragraph 4, enacts that the pension may continue to be drawn up to the date of reappointment; in cases similar, I take it, to my own. I therefore most respectfully beg to be allowed the pension accorded to me, Rs. 134-7-1 per month, from 29th September 1880 to 31st July 1881; the latter date being that on which I rejoined the Public Works Department.

5. I further beg to invite the favorable consideration of Government towards my being allowed to count the interval between 1st April 1880 (the date of my retirement) and the 24th September following as furlough, seeing that my length of service rendered me eligible thereto, and that I may now be allowed to draw the difference between furlough and pension allowances for that period.

No. 34-A.

From D. C. GORDON, Esq., Examiner of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Madras, 9th August 1882, No. 65 W.

With reference to your endorsement No. 394 E., dated 11th ultimo, referring for remarks of this office copy of letter from the Executive Engineer, North Arcot Division, to Superintending Engineer, Fourth Circle, anent the services of Mr. W. R. Norris, Executive Engineer, Second Grade, who has been reappointed to the Department with the approval of the Secretary of State, I have the honor to state that under the circumstances detailed therein there appears no objection to Mr. Norris being allowed to draw pension at the rate (Rs. 134-7-1 per mensem) sanctioned in G.O., Pension Department, No. 753, dated 27th July 1880, up to 31st July 1881, with reference to the orders * of Government of India quoted in the margin.

* Government of India's letter No. 1086, G., dated 18th August 1881. G.O., No. 2183 W., dated 3rd September 1881.
Government of India's Resolution No. 1115 —34 G., dated 24th August 1881. G.O., No. 2343 W., dated 22nd September 1881.

2. Mr. Norris in paragraph 5 of his letter begs that the interval between 1st April 1880 (date of retirement) and 24th September 1880 (date on which he joined the Local Fund Board) may be treated as furlough, and that he may be allowed to draw the difference between his furlough and pension allowances for the period. Mr. Norris at the time of taking furlough in June 1879 had rendered eight years' active service and could consequently have obtained two years' furlough instead of only one on which he proceeded to Europe. There appears therefore no objection to the grant of the concession solicited, but it will require the approval of the Secretary of State as Mr. Norris' retirement was completed through that officer.

No. 35.

ORDER—dated 5th September 1882, No. 2282 W., Public Works.

Mr. Norris will be allowed to draw pension at the rate of Rs. 137-7-1 from the 29th September 1880 to the 31st July 1881, this concession being admissible under the orders of the Government of India quoted by the Examiner of Public Works Accounts.

2. The request to be allowed to count as furlough the interval between the date of retirement (1st April 1880) and that on which he joined the Local Fund Board (24th September 1880) will be referred to the Government of India, with the remark that Mr. Norris had previously earned the amount of furlough now applied for.
