Civil Works.

No. 43.

READ—the following :—

No. 283.

Report by the Superintending Engineer, Fourth Circle.

Report on the enclosed Abstract Estimates for constructing three new Sub-Registrar's Offices at the following stations in the West Coast Division :—

3 Abstract Estimates (in duplicate).
3 Site Plans.

			Rs.
I.	Beltangudi,	Estimate	2,970
II.	Payoli,	do.	2,520
III.	Gúdalúr,	do.	4,833

2. The estimate for the first two works were called for in G.O., Nos. 120 W. and 263 W., dated respectively 17th and 31st January 1881, and for the last in G.O., No. 56 W., dated 9th January 1882. They have been prepared in accordance with the standard design of tiled roof (sheet No. 22, approved of in G.O., No. 120 W., dated 14th January 1882,) to suit the climate. The dimensions of the foundation and basement of the buildings proposed to be constructed at Beltangudi and Payoli have been altered to suit the nature of the soil and slope of the ground.

3. The present inconvenient situation of the Sub-Registrar's Offices at the places above mentioned have been explained by the Inspector-General of Registration in his letters to Chief Secretary to Government, printed in the Government Orders above quoted.

4. The sketch plans of the sites proposed for the erection of the offices are attached, and they have been countersigned by the Inspector-General of Registration in token of his approval. If the estimates are sanctioned and funds allotted in time the works may be carried out by the 30th May.

5. With regard to paragraph 2 of the G.O., No. 2,050, dated 19th August 1881, the delay in submitting the plan and estimate for the construction of the Sub-Registrar's office at Beltangudi is due to the non-receipt of the standard design in time, as also to the selection of the site; the latter was fixed at last by the Collector of South Canara after several references between the Sub-Registrars and Deputy Tahsildar of that station.

COIMBATORE,
19th July 1882.

(Signed) H. R. MEAD, Lieut.-Col., R.E.,
Superintending Engineer, Fourth Circle.

To the Chief Engineer, Public Works Department.

No. 44.
