No. 65.

READ—the following letter from R. F. CHISHOLM, Esq., Consulting Architect to Government, to the Chief Engineer, Public Works Department, dated Chepauk, 30th August 1882, No. 416 :—

I have the honor to request permission to increase my stock limit from Rs. 10,000 to Rs. 15,000 for a period of twelve months.

In order to carry on the Post and Telegraph Office at a proper rate, it is very necessary to have a large reserve of stock, and as the space around the work itself is so very limited, the bulk of the manufactured material has to be kept at the brickfield until wanted and cannot be charged off till actually carted away; hence the necessity for increasing the limit.

Sir,

I have the honor to request permission to increase my stock limit from 10,000 to 15,000 for a period of 12 months.

In order to carry on the Post & Telegraph Office at a proper rate it is very necessary to have a large reserve of stock and as the space around the work itself is so very limited the bulk of the manufactured material has to be kept at the brickfield until wanted and cannot be charged off till actually carted away, hence the necessity for increasing the limit.

I have the honor to be
Sir

Your most obedient Servant.
