No. 54.

READ—the following letter from Lieutenant-Colonel H. R. MEAD, R.E., Superintending Engineer, Sixth Circle, to the Chief Engineer, Public Works Department, dated Negapatam, 4th November 1882, No. 75:—

I have the honor to request permission to commence at once the work of building the outer wall of the Jail at Tanjore.

There is a large allotment this year for this work, the estimates for which have been sent in, and it is important that the work should be commenced without delay as a large quantity of materials have been collected, many of which are deteriorating.
