No 247

Office of the Inspector General of Jail  
11<sup>th</sup> September 1882

From

Colonel J. L. Tennant,  
Inspector General of Jails.  
Ootacamund.

To

The Chief Engineer  
and Secretary to Government P.W.D.  
Ootacamund.

Sir,

The Inspector General of Police brings to notice the necessity for providing accommodation for the men of the police guard attached to the Hill Jail at Parvatipur, and informs me that his men are put to great inconvenience for the want of houses. I have therefore the honor to submit the accompanying plans with estimates amounting to Rs 4000 for constructing hives for one head constable and 15 constables, and to request that you will be so good as to obtain the early sanction of Government for the same.

2. When at Parvatipur early  
in

in the year. I selected a site for the jail constables' lines as shown on the site plan. I think it is desirable to give a basement of 1' 6" to the huts and I would suggest that the walls be built with mortar to the height of 3 feet from the basement to prevent the white ants passing up the walls into the wood work. The wood work ought to be protected with tar which does not appear to be provided for in the estimate.

3. The sum of Rs. 30,000 is entered in the budget for the construction of the District Jail at Kurnool; the officiating Superintending Engineer, Bellary, informs me that as nearly half of the official year is over the full amount could not be spent even if the estimates for the Kurnool jail were at once determined on and sanctioned. I therefore have  
the

2/24/54  
the honor to request that the sum of Rs. 4,000 may be transferred for the Parvatipore jail police lines, from the allotment of Rs. 30,000 entered in the budget for the Kurnool district jail.

I have the honor to be,  
Sir  
Your most obedient servant.  
J. E. Tennant  
Inspector General of Jails.

Dated the 11th Sept. 1882  
From the Insp. Gen. of Jails.

NOTE OF REMARKS.

The undersigned has the  
honour to return the Plan &  
Est. for construction of Police  
Lines at Paravathipore Hill  
Jail amounting to Rs. 4,000,  
to the Exec. Engr. in charge  
pt. file with reference to  
the above letter, with a  
request that the suggestions  
conveyed further raising of  
the Basement, as well as  
that the walls be built with  
masonry to the height of  
3 ft. from the Basement  
to prevent the white ants  
passing up the walls &c, & the  
allotted area for each  
hub be adapted & provision  
made for cooking places  
& Latrines, as provided  
in Standard Design for

These are matters which  
the S.E. cannot settle  
dispose of under Code  
para 24.3(e) - The Insp. Gen.  
asks for very early sanction,  
if the estimate has not  
been to Vizag, it will  
be delayed for a month  
perhaps. C.

The report accompanying the  
estimate clearly explains  
why the plan is not in  
accordance with the  
Standard design. C.

Police Bntr issued with  
G.O. no: 93 W. dated  
14.1.80 may be  
carried out & submitted  
to this Office at an  
early date.
