GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

No. 182-A.

Read—the following papers:—

Telegram from the Government of India (Military), dated 14th September 1882.

No. 182-B. Telegram from the Superintending Engineer, Third Circle, Bellary, to the Secretary to Government, Public Works Department, Ootacamund, dated 19th September 1882.

Seven thousand two hundred and ten surrendered for budget item number eighteen.

No. 182-C. Telegram from the Superintending Engineer, Fourth Circle, Cannanore, to the Secretary to Government, Public Works Department, Ootacamund, dated 16th September 1882.

Rs. 25,120 can be relinquished—Malliapuram barracks, Rs. 16,000 ; cooking stoves, Wellington, 6,000 ; wash-house, Rs. 3,120. Details by post.

No. 182-D. Telegram from the Superintending Engineer, Fifth Circle, Madras, to the Secretary to Government, Public Works Department, Ootacamund, dated 17th September 1882.

Works not commenced. Only 2,500 rupees surrendered, but ten thousand given back from eighty allotted for Exchange House.

No. 182-E.

From Colonel H. L. PRENDERGAST, R.E., Superintending Engineer, Fifth Circle, to the Chief Engineer, Public Works Department, dated Chepauk, 18th September 1882, No. 2221.

With reference to your telegram, dated 15th instant, I have the honor to explain that the covered Gymnasium in *Fort St. George*, Budget item No. 7, is the only work from which funds are surrendered, viz., Rs. 2,500. Rs. 10,000 can also be given up from the Rs. 80,000 allotted for the Exchange House in G.O., No. 1493 W., dated 15th June 1882, as the purchase is likely to be effected within Rs. 70,000.

No. 182-F.

From K. F. NORDMANN, Esq., Officiating Superintending Engineer, Third Circle, to the Chief Engineer, Public Works Department, dated Bellary, 16th September 1882, No. 1060.

I have the honor to report that a sum of Rs. 5,000 from the grant of Rs. 21,500 for the stables for one Field Battery at Bellary, Item No. 6, Imperial Budget of 1882-83, is available for transfer, as it is not likely that the estimate for the work will be sanctioned before the end of this month.

2. With reference to G.O., No. 1610 W., dated 27th June 1882, I beg to state that materials are being collected; but nothing further can be done, as the plan recommended by the Officer Commanding the Royal Artillery deviates from the standard plan. For this reason I hesitate to commence building until the revised plan, which has been sent to the Military authorities, receives the sanction of Government.

3. After sanction of the estimate has been communicated, it will take nearly twelve months to complete the work; hence I think I am quite safe in surrendering Rs. 5,000 of the current year's allotment.

No. 182-G.

Order—dated 22nd September 1882, No. $\frac{2470}{\text{A.}}$ W., Public Works.

The following surrenders will be made to the Government of India, who will, however, be requested to allow the works to progress; particularly the stables for a Field Battery of Artillery at Bellary, it being of the greatest moment that protection for horses in Southern India should be provided. Meanwhile advice will be sent to the Government of India by telegram :—

will be pleased, on further consideration, to allow the works to progress - the total saving from the comparatively small assignment to this Presidency being necessarily trifling, while the stoppage of the works in question will be productive of much inconvenience, more especially in regard to the stables for a Field Battery of Artillery at Bellary - it being the conviction of H.E. the Commander in Chief that the protection to horses in Southern India is a matter of the greatest moment.

3. Should the Govt of India accede to the recommendation now made, I am to request that a reply may be communicated by Telegraph to admit of officers making timely arrangements to resume the works which have ~~now~~ meanwhile been held in abeyance.
