No. 1. Proceedings of the Board of Revenue, dated 20th December 1881, No. 3357.

Read the following letter from J. GROSE, Esq., Collector of Nellore, to the Secretary to the Board of Revenue, dated 13th December 1881, No. 4450 :—

With reference to Board's Proceedings, 19th November 1881, No. 2883, I have the honor to report that, after careful consideration, I do not see how to meet the requirements of Sungum by the transfer of a Sub-Magistrate there from some other station.

2. The two Sub-Magistrates of the Nellore Taluk are stationed, one at the town of Nellore and one at Allúr, and, as it happens, the Town Sub-Magistrate is on privilege leave. Allúr is a large village near the canal and ought not to be left long without a Sub-Magistrate. The work of the Town Sub-Magistrate is extremely heavy, and, the taluk being very important and troublesome, it is impossible for the Tahsildar or Taluk Sheristadar to relieve him of any portion of it.

3. If Government refuse to sanction a special officer, the Kotah Sub-Magistrate is the man who can most conveniently be spared from his station, but he has charge of a remote part of the populous taluk of Gúdúr, where the officials all have their hands full of work, and the canal itself and the alterations in it, which are being carried out near Dugarázapatnam, make the presence of a Sub-Magistrate in the neighbourhood very desirable.

4. Section 48 of the Police Act has been extended to Sangam, and Government have expressed an opinion in G.O., 16th February 1870, No. 233, Judicial Department, that action under this section should not be permitted except where under the control of a resident Sub-Magistrate.

5. The circumstances of Sungum are such as to call for special consideration from a sanitary point of view. I have given some details in my former letter. Others are given in the letter forwarded by Captain Campbell, R.E., of which I enclose a copy. The nuisances complained of by the Apothecary in charge are very dangerous in a place where so many workmen are congregated, but they cannot be suppressed until a Sub-Magistrate resides there. The perpetrators have in some cases been arrested and forwarded in custody to Nellore, where they have been fined trifling amounts, but it is only natural that most of them should be allowed to go scot-free under existing circumstances, though they would be punished if there were a Sub-Magistrate on the spot.
