GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

No. 1.

READ—the following letter from R. F. CHISHOLM, Esq., Consulting Architect to Government, to the Chief Engineer, Public Works Department, dated Chepauk, 11th September 1882, No. 448 :—

With reference to your memorandum No. 593 E, dated 18th August 1882, I have the honor to forward a revised plan and estimate, amounting to Rs. 1,858, for railing in the bath in which Bishop Heber was drowned at Trichinopoly and of raising a memorial stone.

The bath alluded to has been dry for many years, and to prevent people from falling in a parapet wall was constructed round it. In order that this interesting object may not be lost sight of entirely, it is proposed to remove the parapet wall, to keep the bath filled with water, to rail it round with a suitable railing and to erect a memorial stone.

The inscription is from the pen of Bishop Gell, and the translation into Tamil by Dr. Bower.

No. 2.

ORDER—dated 2nd October 1882, No. 2560 W., Public Works.

The revised design with estimate amounting to Rs. 1,858, for railing in Bishop Heber's bath at Trichinopoly and raising a memorial stone, are sanctioned, and an appropriation of the amount is made from the Provincial Reserve.

2. This sanction has been registered as Provincial No. 125 W. of 1882-83, and classified as Civil Buildings, Original Works.

While approving of the
Head Stone (of the former
Grove) being placed at
the end of Bishop Heber
Bath, His Excellency the Govt.
considers that the railing
should be at a rather greater
distance from the Bath, &
of a character to keep off
intruders.

2. A revised design and
estimate for the latter
should therefore be submitted.
