No. 11.

READ—the following letter from C. W. HUTCHINSON, Esq., Postmaster-General, to the Secretary to Government, Public Works Department, dated Madras, 12th September 1882, No. 5923/1909 :—

I have the honor to submit plan and estimate for Rs. 1,277, prepared by the Public Works Department, for the construction of a seventh-class Post Office at Vāsudevanallūr, in the Tinnevely District, duly countersigned by the Director-General of the Post Office, also copies of my letter No. 42/1909, dated 11th August 1882, to the Director-General of the Post Office of India, and of his reply thereto, No. 5643, dated 25th August 1882, according sanction to the measure, and request that you will be so good as to move the Government to pass orders for the allotment of the necessary funds from the grant for Minor Works of the Postal Department in this circle for 1882-83, so that the work may be executed as early as possible.

ENCLOSURES.

Copy of a communication from the Postmaster-General, Madras, to the Director-General of the Post Office of India, Calcutta, dated Madras, 11th August 1882, No. 42-1909.

I have the honor to forward a plan and estimate for Rs. 1,277 for construction of a seventh-class Post Office at Vāsudevanallūr, and request that you will be so good as to accord sanction to the measure.

The Post Office was formerly held in a building in the Agraram where the Brahmmins live, but as the present Sub-Postmaster is not a Brahmin, the landlord was unwilling to allow the Post Office to continue there. It had therefore to be removed to another place, which is the verandah of a private dwelling house. This is very inconvenient and unsafe. From inquiries made through the Revenue Department it appears that a suitable house is not procurable on rent. It is therefore necessary to construct a building for the Post Office.

It is intended to carry out the work during the current year from the balance of the grant for Minor Works which is still available.

Copy of a communication from the Director-General of the Post Office of India, to the Postmaster-General, Madras, dated Simla, 25th August 1882, No. 5643.

I have the honor to return the plan and estimate received with your letter No. 42/1909, dated 11th August 1882, and to convey sanction to the expenditure of a sum of Rs. 1,277 for the construction of a seventh-class Post Office at Vāsudevanallūr.

2. This work will form a charge against the Minor Works grant of your circle for the year 1882-83.

3. A completion report of the work should be submitted in due course.

No. 12.
