READ—the following paper :—

G.O., dated 26th September 1882, Mis. No. 3154, Revenue.

Read—the following Proceedings of the Board of Revenue, dated 9th September 1882, Mis. No. 6869 :—

From W. LOGAN, Esq., Collector of Malabar, to the Secretary to the Board of Revenue, dated Calicut, 15th August 1882, No. 2340.

In reply to the Board's Proceedings, dated 17th ultimo, No. 5407, I have the honor to state that, as the site of the present building will be the most suitable site for the erection of the proposed new Taluk Cutcherry, a rented building will become necessary for the accommodation of the Tahsildar, when the Public Works Department are ready to begin with the work.

2. From the accompanying copy of the Head Assistant Collector's letter, No. 972, dated 27th ultimo, it will be seen that there are one or two warehouses in the vicinity of the present building, which will answer temporarily for the Tahsildar's office and which can be obtained on a rental of Rs. 10 to 15 per mensem. To make a portion of the building serve as a treasury and subsidiary jail a small expenditure will, however, have to be incurred to strengthen some of the rooms.

3. As the present Taluk Cutcherry was formerly the office of the Deputy Collector located at Ponáni, and as it now accommodates the Tahsildar, District Munsif and Sub-Registrar, I would suggest that it would be advantageous to Government to build a consolidated block of public offices at Ponáni for the Deputy Collector, District Munsif, Tahsildar, Sub-Registrar and Post Office.

Resolution—dated 9th September 1882, Miscellaneous No. 6869.

Submitted to Government in continuation of Board's Proceedings, 17th July 1882, Miscellaneous No. 5407, with special reference to paragraph 3, wherein the Collector suggests that a block of buildings suitable for the accommodation of all the public offices at Ponáni should be constructed. The proposal is one which merits consideration.

2. When the officers of the Public Works Department are ready to commence work the Board will be prepared to sanction the renting of the warehouses which it is proposed to occupy temporarily.
