PUBLIC WORKS DEPARTMENT.

Civil Works.

No. 35-A.

Read—the following papers:—

G.O., dated 30th September 1882, Mis. No. 1447, Judicial.

Read—the following endorsement of the Inspector-General of Registration, dated 15th September 1882, T. No. 2829, on letter from the Registrar of Assurances, Vizagapatam, dated 1st September 1882, No. 695:—

With reference to this office letter, No. 397, dated 5th September 1881, I beg to state that the owner of this office building has sent me to-day word that a long time has passed away since the house was first offered to this department for sale, and that others are offering to purchase the house, and requires to be informed within the 30th instant whether or not the building will be purchased by Government. If something definite and favorable be not known within one month from this date, I understand that it is intended by the owner to dispose of the building to somebody else.

2. The owner's name is Elisette Chittamma *alias* Kanakamma. Her brother, M.R.Ry. C. V. Chengalva Rao Naidu, late a District Munsif, looks after her affairs.

3. On the date of my letter above referred to the probable cost of the repairs to this building was in my opinion Rs. 500, but seeing the old state of many portions of the building and that the rains have further damaged them during the year, I think much more than that figure will be necessary for the repairs—something like Rs. 800 or Rs. 1,000.

4. I request you may be pleased to inform me how the subject of the letter referred to has been disposed of and what answer I am to give the owner.

Submitted to Government with reference to Judicial Department endorsement, No. 1967, dated 6th December 1881, and reply thereto, No. 912, dated 10th December 1881.

Order—dated 30th September 1882, Mis. No. 1447, Judicial.

The proposal to purchase a building in the Fort at Vizagapatam for the use of the office of the District Registrar at a cost of Rs. 2,000, and to repair it at a further cost of Rs. 500, is approved and transferred to the Public Works Department for the necessary allotment of funds.

* Rs. 880.

2. On my visit to Vizagapatam on the 27th February last I found the Registrar's office held in a private building, well situated and not far from the Civil Court, or the Collector's Cutcherry. On leaving the station I looked at the rooms attached to the Collector's Cutcherry, but found that they were not so well adapted as the rented building, which the Registrar said could be purchased for about Rs. 2,000. I desired him to report officially on the point, and he has only now done so.

3. I send up his report † He proposes that the private buildings should be purchased for Rs. 2,000 and a further sum of Rs. 500 be spent

to repair it in preference to utilizing the rooms in the Collector's Cutcherry, which are, he says, "ill-ventilated and scarcely spacious enough."

4. I have the honor to request that the sanction of the Government may be obtained to the issue of orders in the Public Works Department, in view to its being ascertained whether the private building is worth the money asked for and whether its position is free from risk of fire.

5. A new building is certainly to be preferred, as it could be arranged to meet the requirements of the department, and be built in some site away from private dwelling-houses.
