Mr. Dorman one of
our young Engineers for
Coburn Hill College wishes
in the early part of the
year to resign his app't.
to the Dept. on grounds
chiefly of ill health.

It was thought de-
sirable to grant him 6
months leave to Europe
to allow of his resuming
his health & reconsidering
his decision, and he
availed himself of the
leave on 13th March last.

It will be seen that
he has now resigned the
app't. definitely and there
is of course no other course
open than to accept
his resignation reporting
to the Secy & Secy

As he stood nominated
as Asst. Engineer to the
and Central Roadways
Division his resignation
at this moment causes

in accordance the
more so as we have
2 others unfilled
vacancies in our scale
of Engineer Assistants

It will be necessary
to bring this state of
matters early to the
notice of the Govt with
a request that those
R.E. in Cooper's bill
should be at once if
possible transferred

If they will send
us your views there will
be some hope that they
may not prove failures
but if of any service
it may be concluded
that they have been
tried elsewhere and
found wanting
