Read the following paper :—

No. 115. From Major H. R. MEAD, R.E., Superintending Engineer, Second Circle, to the Chief Engineer, Public Works Department, dated Coimbatore, 13th July 1880, No. 162.

I HAVE the honor to inform you that I have entertained the undermentioned individuals to the temporary appointments sanctioned in G.O., No. 1,087 W., dated 5th May 1880. Preference was given to these men for they were thrown out of their employment owing to the recent reduction, and the Examiner provisionally passed their pay for May, but in auditing the bill for June he has disallowed their whole pay for May and June 1880, pending an order of Government on a reference made by him on the subject :—

1. Mr. J. M. Brito to be temporary Clerk on Rs. 25 per mensem. He is an old servant of Government, and has submitted his application for pension.
2. C. M. Mylappah Pillay to be a temporary Clerk on Rs. 25 per mensem. He is a passed candidate, and is in Government service from December 1872, and has submitted his application for gratuity.
3. Sandappa Pillay to be a temporary Clerk on Rs. 19½ per mensem. He is an unpassed man, but in Government service for the last nine years, and has submitted his application for gratuity.

2. I have the honor to request that you will be so good as to authorize the Examiner to pass the pay due to the temporary clerks for their actual services in my office; and at the same time I solicit an order for re-admitting (for such temporary employment as sanctioned by Government in G.O., No. 1,433 W., dated 18th June 1880) the men who have not passed the Uncovenanted Civil Service Examination, but otherwise qualified for the temporary employment for a limited time. The unpassed old servants will only be allowed to draw Rs. 19½, though the sanctioned rate of pay is Rs. 20 or above per mensem.

No. 116.

ORDER THEREON, 29th July 1880, No. 1,809 W.

THE Government have already intimated in their Order, No. 1,684 W., of 15th instant, that there is no objection to the re-employment of compensation pensioners, provided that their pay and pension do not together exceed their former salary.

2. Unpassed men discharged on account of reduction may be re-appointed to posts the salaries of which do not exceed those formerly drawn by them, even should the latter exceed Rs. 20.

3. If Sandappa Pillay's former salary was not less than Rs. 25, he can be appointed on that salary, but if not, he can only be so appointed if no qualified candidate is available.

4. The practice of appointing unpassed men on salaries below Rs. 20 to posts the proper salaries of which are above that amount is forbidden.

READ—the following letter from Colonel J. BEATTY, R.E., Superintending Engineer, Sixth Circle, to the Chief Engineer, Public Works Department, dated Trichinopoly, 5th May 1882, No. 133 T.C.:—

I have the honor to request sanction to the accompanying estimate of Rs. 520 for temporary extra Draughtsmen in connection with the Cauvery and Coleroon embankment estimates now under preparation in the Trichinopoly Division.

- 1 Estimate.
- 1 Report.
- 1 Copy of letter.

2. The Divisional Office Draughtsmen have so much other work in hand that they are quite unable* to carry out this in addition within any moderate period, and the embankment estimates are very urgently wanted.

3. These estimates, too, necessitate the preparation of a large number of plans, reductions of surveys, and cross and longitudinal sections of the rivers, besides the great number of sections of the existing banks, so that the estimate for the first section of the Cauvery now nearly ready, with the exception of copying, will have to be accompanied by 23 sheets of drawings, and copies of these, of course, must also be kept.

4. I have therefore the honor to request an allotment of the amount of the estimate Rs. 520.

No. 100.

ORDER—dated 17th May 1882, No. 1257 W., Public Works.

The estimate, amounting to Rs. 520, for temporary Draughtsmen for drawing plans, &c., in connection with the reduction of the Coleroon and Cauvery surveys, is sanctioned, and the amount is appropriated from the budget grant for temporary establishment.

2. This sanction has been registered as Provincial No. 12 W. of 1882-83 and classified as establishment.

Sir,

Encls: 1.

I have the honor to inform you that, under Code rules, I have sanctioned an estimate for temporary survey establishment required for taking levels and cross sections of the Cauvery and Coleroon flood banks in the Trichinopoly Division and for a temporary Draughtsman on Rs 40 for 6 months for making copies of the surveys and sections.

2. The Executive Engineer appointed an unpassed

Draughtsman on Rs. 19-8-0 from
1st April 1882, but the Examiner
of P.W. accounts deferred
audit of the salary of the
Draughtsman pending sanc-
tion of Government on the
ground that he was an un-
passed man.

3. At the time of appoint-
ing the Draughtsman en-
deavours were made to get
a passed man but none
could be heard of and as
the services of a Draughtsman
were urgently wanted, an
unpassed man who knew
his work was employed.

4. Under the circumstances
I request that the necessary
sanction may be accorded
to enable the Examiner to
pass the salary of the Draughts-
man to the extent provided
in the Estimate.

5. I forward the Executive
