READ—the following letter from Lieutenant-Colonel H. R. MEAD, R.E., Superintending Engineer, Sixth Circle, to the Chief Engineer, Public Works Department, dated Trichinopoly, 13th October 1882, No. 378 M.D. :—

In forwarding copy of the accompanying letter from the Collector of Madura, No. 2767 of 6th instant, I have the honor to request you will be good enough to obtain the sanction of Government for attaching an Hospital Assistant to the Madura Division for employment on the Gúdalúr Ghát Road under paragraph 492 of the Code.

ENCLOSURE.

From C. S. OROLE, Esq., Acting Collector of Madura, to the Superintending Engineer, Sixth Circle, dated Madura, 6th October 1882, No. 2767.

I have the honor to state that the Public Works staff, contractors, and coolies, &c., working on the Gúdalúr Ghát Road are frequently attacked with fever and other malarious diseases, and that the services of an experienced Apothecary are absolutely necessary for their treatment. During a recent tour in Palni Taluk I was informed by Mr. Hardy, the Engineer in charge of the above work, that nearly every one connected with it is at the present moment prostrated by a malignant outbreak of fever. I am given to understand that, for want of medical assistance at the spot, the coolies, &c., are afraid to go there, and this impedes the progress of the work very much. As the work in question is Provincial and as the Local Fund Board are not bound nor can it afford to keep up a medical establishment there, I request that you will be good enough to make the necessary arrangement at an early date.

2. It is essential for the successful execution of the Periyár project, which may be expected to be commenced next official year, that no scare should be allowed to render work in that locality unpopular which can be prevented by the provision of medical aid and comforts.

No. 137.

ORDER—dated 23rd October 1882, No. 2747 W., Public Works.

Sanctioned.

2. The Superintending Engineer, Sixth Circle, will take the necessary steps to obtain the services of a medical subordinate in accordance with Code rules.
