No. 143.

CURRENT No. 135

From,

George Hamnett Esqre.

Inspector General of Registration

Madras,

To,

The Honorable R. Davidson C.S.I.

Chief Secretary to Government,

Fort St George

Dated Madras, 13th January 1882.

Honorable Sir,

I have the honor to enclose copy of a letter* from the Executive Engineer, South Arcot Division, and to request that the Secretary to Government Public Works Department may be moved to issue the Standard designs for registration offices. Much valuable time has been lost from want of these designs; and the progress which I had hoped would be made in the construction of registration offices has been greatly retarded.

I have the honor to be,

Honble Sir,

Your most obedient Servant,

G. Hamnett

Inspector General of Registration

* dated 9th January 1882 No. 11.

No 11

From The Executive Engineer.
South Arcot Division.

To The Inspector General of Registration
Madras

Dated Camp Cuddalore 8th January 1882.

Sir,

I have the honor to state, with reference to your No. 889 of the 1st December 1881, that the Superintending Engineer of the Circle states that the Standard designs for Registry Offices which the Consulting Architect was ordered to prepare in G.O. No. 1783 W. of 21st July 1881, have not yet been received. Until these designs are received, the estimates required for Registry Offices in this district cannot be put in hand.

I have &c.

(Signed) J.E. Pond
Offg. Executive Engineer

(True copy)

W. Hammett
Inspector Genl. of Regn.
