C. Masilamani Mudr
Overseer D.P.W.

The Executive Engineer
Salem Division

With reference to your Office Memo No 1329 of 20th February 1882 I beg to report that on my being relieved of duties in the Godavery District on the afternoon of the 27th January 1882, I left the place on the 28th of the same month by transit boat and reached Madras on the 21st February/82 via Buckingham Canal a distance of not less than 360 miles, on my way, I found the Buckingham Canal to be navigable for boats only at high tides, owing to shoals in the canal nearly to its full length up to Madras, and that the weather was also for the most part unfavorable, and that on my arrival at Begumada there were no boats ready.

ready to sail to Madras, as it was
then the time to get the boats li-
censed, and so I had to stop at the
above place for 3 days to secure a
boat, though I had not availed of
the preparatory leave for the journey,
I had to encounter such unawai-
table delays and thereby I have been
put to much expense and trouble.

Having arrived at Madras on the noon
of the 21st instant I had not suffi-
cient time to get into the train on
the same day. Consequently I left it
on the 22nd and reached Salem on the
23rd morning. In compliance to your
orders to meet at Ossoor, I shall be
there on the 25th instant.

I have &c
