With reference to your memorandum No. 1600 C, dated 2nd instant, I have the honor to resubmit for sanction the revised estimate for converting the old barracks at Ongole into a dwelling-house for the Sub-Collector, together with a supplemental estimate duly countersigned by the Collector of Nellore as directed.

No. 195.

ORDER—dated 27th October 1882, No. 2835 W., Public Works.

The revised estimate amounting in all to Rs. 11,074 (inclusive of a supplemental estimate for Rs. 2,146), for converting the old barracks at Ongole into a residence for the Sub-Collector, is sanctioned.

2. The excess of Rs. 3,709 over the original estimate for Rs. 7,365, sanctioned in G.O., No. 2,495 W., dated 29th October 1880, is explained in the report as being due chiefly to carelessness in preparing the latter, and both this fact and the slow progress on the work are unsatisfactory.

3. Rs. 7,386 were spent on the project up to the end of the last official year, and the balance required to complete it, Rs. 3,688, is allotted in separate orders.

4. This sanction has been registered as Provincial No. 144 W. of 1882-83; is classified as Civil Buildings, Original Works, and supersedes Provincial No. 43 B. of 1880-81.
