GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.

No. 196.

READ—the following papers :—

From J. H. TAYLOR, Esq., Lieut., R.N.R., Master Attendant, Administrative Department, to the Secretary to Government, Public Works Department, dated Madras, 26th September 1882, No. 8273.

In your No. 264, dated 11th July 1881, I am directed to state what remuneration I would propose for Mr. T. H. Baker, Port Officer, Pámban, while engaged on the boring operations at Pámban. I was not in a position at the time to make any recommendation, but with full particulars of the work now before me I beg to address you on the matter.

Mr. Baker was engaged on the duty for three months, besides two months during which he was occupied in plotting, &c., and the nature of the work was such as to subject him to great exposure to sun and fatigue, having to ride backwards and forwards, at his own expense, a distance of 5 to 6 miles, and he managed to have the whole work done with a saving of Rs. 130 on the original estimate.

3. Taking all the circumstances into consideration, I beg to recommend that he be granted a moiety of the net pay of Rs. 350 of his office, or Rs. 875 for the five months he performed that duty. The charge will be one against the Public Works Department.

No. 196-A.

OFFICE NOTE from the Examiner, Public Works Accounts, dated 16th October 1882, No. 593.

The honorarium of Rs. 875 proposed for Captain Baker will raise his salary above Rs. 5,000 per annum and will require the sanction of the Secretary of State, *vide* paragraph 415 of the Public Works Code, and G.O., No. 2417 W., dated 18th September 1882.

2. The only charges against the Public Works Department in connection with the Pámban Pass is an expenditure of Rs. 620 against the estimate for Rs. 800 sanctioned in G.O., No. 186 W., dated 23rd February 1882, whereas from paragraph 9 of the report printed with G.O., No. 1341 W., dated 25th May 1881, it would appear that expenditure has been incurred outside the Public Works Department in connection with this work.

3. The honorarium, if sanctioned, may, I consider, with the approval of Government, be charged off to the estimate for the Pámban Pass.

No. 197.

ORDER—dated 27th October 1882, No. 2836 W., Public Works.

The recommendation of the Master Attendant that Mr. Baker be allowed an extra remuneration of Rs. 175 per mensem for five months, for work in connection with the boring operations at Pámban, will be submitted through the Government of India for the sanction of the Secretary of State.
