have the honor to report, that
an estimate was made for alter-
ing the windows of the three rooms,
and the work will be carried out.
As regards the two wards for
violent patients, sanctioned in
G. O. O.P. 439 of 7th February 1877,
the construction of a block of two
rooms for males, and another
block for females, was sanctioned
instead

instead, in G. O. M. 1905 W of
the 2^d August 1881. Entry for this
work is made in the Budget
for next year, in the List, Class A.
Item No 40.

I have the honor to be
Sir

Yours Most Obedt Servt
