Copy of letter from the Executive
Engineer Bellary Division to the Examiner
P. W. Accounts Madras No. 779 dated
10th July 1882.

I have the honor to inform
you that Mr. Overcor J. Elliot in the
Bellary Division now claims an allowance
of Rs 180 under para 190 of the P. W. Code
for having passed the Vernacular
Examination in the Higher Standard
in Tamil on the 4th April 1879; vide
G. O. No. 1234 W of 25th April 1879. He had
then no permanent appointment. I
request you will inform me whether
the Overcor is entitled to the allowance.

2. I shall thank you also to inform
me whether the term "Civil Upper Sub-
ordinates (other than Natives)", referred
to in para 190 of the Code, means
only Europeans who have themselves
come from Europe, or whether it includes
also Europeans who have been born
and brought up in India, as well as
East Indians and Eurasians.

Copy of letter from the Examiner
V. H. Accounts to the Executive Engineer
Bellarly Division No. 1298.83rd dated 27th July
1882.

With reference to your letter No. 449
dated 10th July 1882, I have the honor
to state that there is no rule under
which a remuneration can be given
to an officer for having passed in
any vernacular examination previous to
his appointment in the Public Works
Department.

2. The term Civil Upper Subordinates in
para 190 of the Q. H. Code is, it is
believed, intended to apply to Europeans
born in the Country, as also to East
Indians.

Copy of a letter No. 1370 dated 8th Sept. 1872.
from the Executive Engineer Bellary Division
to the Superintending Engineer M. S. S. S.

I have the honour to inform you
that in February or March 1879 Colonel
Prendergast, who was then Superintending
Engineer in Bellary, acted acting S. S. S.
Overseer Mr. J. Elliot, if he was prepar-
ed to pass an examination in one of the
Vernaculars.

2. Mr. Elliot replying in the affirma-
tive, was examined in Tamil, and passed
vide G. O. No. 1257 W. the Higher Standard, which he considers entitled
dated 25th April, him, to receive the reward of Rs. 100 mention-
ed in para 190, of the P. W. Code.

3. The Examiner, to whom Mr. Elliot's
case was referred, decided that there was
no rule under which a remuneration
could be given to an officer for having
passed in any Vernacular Examination
previous to his entertainment in the Pub-
lic Works Department.

4. The Overseer however submits that
his case is entitled to special consideration
on the following grounds.

1st He was induced to go up when he did for examination in the vernacular by the Superintendent of Regiments, whereas if he had gone up a month and a half later when confirmed in his acting appointment there would be no doubt as to his right to receive the remuneration offered by Govt.

2nd The Overseer held his acting appointment without any break until brought on the permanent strength of the Department.

5. If you consider that the above reasons entitle Mr. Elliot's case to further consideration, I request you will submit it to Govt. for their orders.

N^o. 1211 (Copy).

Submitted for orders.

Inasmuch as Mr. Elliot was, at the time of passing, acting in an appointment in which he was subsequently confirmed, the claim to the allowance of Rs. 180 granted by para 190 of the Code. (which would be unquestionable if he had delayed passing until after he was confirmed in his appointment) would seem no more than reasonable.

In reply to a request for explanation

as to why the claim was not preferred earlier, Mr. Elliot states that he has only lately become aware that such an allowance was granted at all.
