To

The Secy to the Government of
Fort Saint George

Simla, the 16th October 1882.

Foreign Dept.
General.

I AM directed to inform you that for the future telegrams
issuing from this office will be numbered, the number in each case being stated
at the beginning of the message. I am to request that, in replying to such
telegrams, the number may always be cited in addition to the date.

I have the honor to be,

SIR,

Your most obedient Servant,

H. M. DURAND,

Under-Secretary to the Government of India.

in tracing outwards
Telegrams. There are
not very many - and
these are readily
available for reference
on the counter-forts of
the Telegraph Book.
The Govt of India in
the Foreign Dept.
have probably a
large correspondence
by Telegram. and they
have doubtless felt
the want of numbering.
This want has not
yet been experienced
here.

The system of numbering
telegrams would prove of
great convenience to the
P. D. Dept. - if it
can be adopted without
difficulty.

We have already a
distinct series of
numbers in use, and
unless there is a
real necessity for
adding another, it
would I think be
well to defer doing
so. I shall write for
the present. We
have never as yet
found any difficulty.
