No. 450. From Lieutenant-Colonel J. EWING, Officiating Quartermaster-General, to Colonel E. L. HANKIN, Acting Secretary to Government, Military Department; dated Ootacamund, 19th October 1882, No. 1236.

With reference to Proceedings of Madras Government, No. 4704, dated 4th September 1882, I have the honor, with reference to para. 2 of my letter No. 6018, dated 2nd August 1882, therein embodied, to state, by order of the Commander-in-Chief, that it was not His Excellency's intention that *saleable* stable litter should be burnt, but only such as would be considered useless and which it would be better to burn than to bury.

2. A circular will be issued by this department to the effect that all saleable stable litter should, if purchasers offer, be disposed of as manure, and that, if it is not saleable as such or not required by the Department Public Works as fuel, it should be disposed of, if possible, by contract.
