READ—the following letter from J. W. RUNDALL, Esq., Superintending Engineer, Second Circle, to the Chief Engineer, Public Works Department, dated Masulipatam, 18th September 1882, No. 595 N.L. :—

With reference to your memorandum No. 1600 C, dated 2nd instant, I have

2 Revised Abstract Estimates in duplicate.
1 Comparative Statement.
2 Reports.
1 Memorandum.
1 Supplemental Estimate.
1 Plan.

the honor to resubmit for sanction the revised estimate for converting the old barracks at Ongole into a dwelling-house for the Sub-Collector, together with a supplemental estimate duly countersigned by the Collector of Nellore as directed.

No. 195.

ORDER—dated 27th October 1882, No. 2835 W., Public Works.

The revised estimate amounting in all to Rs. 11,074 (inclusive of a supplemental estimate for Rs. 2,146), for converting the old barracks at Ongole into a residence for the Sub-Collector, is sanctioned.

2. The excess of Rs. 3,709 over the original estimate for Rs. 7,365, sanctioned in G.O., No. 2,495 W., dated 29th October 1880, is explained in the report as being due chiefly to carelessness in preparing the latter, and both this fact and the slow progress on the work are unsatisfactory.

3. Rs. 7,386 were spent on the project up to the end of the last official year, and the balance required to complete it, Rs. 3,688, is allotted in separate orders.

4. This sanction has been registered as Provincial No. 144 W. of 1882-83; is classified as Civil Buildings, Original Works, and supersedes Provincial No. 43 B. of 1880-81.

Sir,

Enc: one.

In returning G.O. No. 2528-W of
27th September 1882, with your endorsement
No. 312-C of 14th Instant, I have the honor
to report that half of the House for the sub
Collector at Ongole was fit for occupation
last month, but Mr. Late refused to move
into it, because there were no mats or Pankahs.

2. Mr. Late, and his predecessors have
lived in the Cutcherry for years, and he
does not want any additional room so ur-
-gently; his reason for asking for the sub-
Registrar's Office is that to reach the office,
it is necessary to pass his room, and that
his privacy is invaded; this objection could
be removed by the expenditure of a few
annas on Screens.

3. The sub Registrar has occupied his
Office, and Record Room since 15th May,
and it would be a pity to turn him out.
As Mr. Late has left the District, and

there is likely to be some delay before his successor reaches Ougole, the sub Registrar may be left in possession.

1. Mr. Late's objection to the want of mats, and Pankahs in the old Barracks applies equally to the sub Registrar's Office while the accommodation in the Barracks is very much superior to that in the Cutcherry combined with the sub Registrar's Office.

The Chief Engineer,
Public Works Department.

Sir,

I have the honor, with reference to G. O. N. 2528 of the 27th ultimo, to forward herewith copy of a letter from the Executive Engineer regarding the request of Mr. Late, Acting Sub Collector to occupy the room newly constructed for the sub Registrar at Ougole.

2. The alterations to the old barracks were so far completed that the building was quite as comfortable, if not more so, than the accommodation in the sub Collector's so long used by that Office, and the objection to not occupying because there were neither mats or pankahs is in my opinion frivolous.

then 3. Mr. Tate has now left the station,
see but I think it right to bring the matter to
your notice.

4. 4. The revised Estimate provides mats,
of punkahs and Chicks and the work will
be finished off in a short time after the
receipt of sanction to it.

I have the honor to be,
Sir,

Your most Obedt. Servant.
