The Completion Reports for the Imperial Military Works due from Ganjam Division have since been received.

2. With regard to the Completion Report for the Police lines at Baliguda, I would suggest that as this case is similar to that referred to in G.O.No.246 W.dated 2nd. February 1980 the Executive Engineer may be instructed to obtain a Completion Certificate in Form No.M.27b from the Police Officer concerned and forward the same to this Office.

With reference to your No. 313
G. N. dated 15th Instant, regarding
submission of certain Completion
Reports. I have the honor to in-
form you that the Reports for
the Imperial Military Works
have all been submitted to the
Examiner of Public Works Accts.

works don't range. Again there
are no proper roads to the place
and the Agency Officers have
Elephants to carry their baggage.
Under these circumstances I
