also been included. In the case of this Division, the quantities applied for were based on previous expenditure; now there is an extra Sub Division, and considerably more work.

5. I trust therefore that under the circumstances, the extra supply required may be authorised.

I have the honor to be,

From.

The Superintending Engineer,
2nd Circle.

To

The Chief Engineer,
Public Works Department.

Sir,

I have the honor to forward herewith, a Supplemental Indent for Stationery, required for the Langan District Division.

2. This Indent is rendered necessary, by an insufficient supply having been indented for, for the current year.

3. When the Indents were prepared last year, the Division had just been formed, and Captain Campbell hardly knew the strength of his Establishment, and less Stationery was asked for than is now found to be required.

4. A few extra articles required for the Kistia Eastern Division have
