prevent him from being superseded by his Junior comrades being allowed to draw their increments by virtue of passing the Examination.

3. Colonel Beatty R.E. promised in his No. 1360 of 17th November 1881, (herewith forwarded for your information and return) that if Ramachandrarao passed at the next Examination, application will be made to have the increment passed to him from the date he would have got it if he had passed at the last Examination.

4. Ramachandrarao accordingly passed the Examination in the P.E. Code held on the 29th July 1882, and applied for his first increment being passed with effect from 7th April 1881, as also the second annual increment from 7th April 1882.

5. My predecessor in his Memo No. 1137 of the 25th ultimo, sanctioned the above increment on the ground that if Ramachandrarao had not been prevented attending last year's Examination by the Charge brought against him

him in which he was honorably acquitted, he would have passed the Code Examination and would have been drawing the increment from 7th April 1881. But the Examiner of P.E. Accounts has only passed the first annual increment from August 1882, and deferred the audit of the increment from 7th April 1881 pending sanction of Government as the arrears are for two years. Under the Circumstances I request that the necessary orders may be passed.

I have the honor to be

Sir,

I have the honor to inform you that V Ramachandrarao B.A. Clerk III class 2^d Grade of the Megapattam Division Office was unavoidably prevented from appearing for the Examination in P.W. Procedure and Practice held in July 1881, as he was then involved in the Case, the Correspondence of which ended with G.O. No. 2073 W dated 20th August 1881.

2. He therefore applied to my predecessor in November 1881 to obtain your sanction for his increment being passed from 1st April 1881 provisionally at least and conditionally of his passing the test during the next Examination to come and thus prevent
