Read the following paper :—

No. 311. *From Lieutenant-Colonel J. EWING, Officiating Quartermaster-General,
to Colonel E. L. HANKIN, Acting Secretary to Government, Military
Department; dated Ootacamund, 12th October 1882, No. 1190.*

I have the honor, by order of the Commander-in-Chief, to forward, for the sanction of Government, the accompanying plan and estimate, the latter amounting to Rs. 8,020 for constructing kitchen ranges for the married quarters at the Wellington Depot.

2. Sir Frederick Roberts is aware that all works which have not been begun should, under the recent orders * of the Government of India, be held in abeyance until further orders; but, considering it very desirable that family quarters should be made complete in every respect at Wellington, His Excellency hopes that Government will make an effort to get the required sum provided from the current year's budget.

3. It will be observed that the amount (Rs. 8,020) of the estimate now submitted exceeds that (Rs. 6,000) entered in the current year's budget. The Officer Commanding Bangalore Division has been called upon to explain the reason of this and the cause of delay in submitting the estimate; his reply, when received, will be communicated.

No. 312. ORDER THEREON, 14th October 1882, No. 5523.

Approved and transferred to the Public Works Department for consideration and final disposal.

2. The Government in the Military Department concur in opinion with His Excellency the Commander-in-Chief as to the desirableness of the early construction of the ranges referred to.
