To

The Chief Engineer, P. W. &
General or Establishment.

Sir,

With reference to para 4 of G. O. No 28 1882
P. W. & dated 26th October 1882, I have the
honor to explain that in order to relieve
the upper Subordinates attached to my works
as much as possible in matters of account their
time being nearly wholly occupied in prac-
tical work, I have had the work abstracts compiled
in my office by two additional clerks.

Only one clerk is attached to this Office
and his time is occupied in current work.
It would be quite impossible to carry on
the works without the additional men above
alluded, and if the charge cannot be met
as heretofore, I request you will be good
