To,

The Superintending Engineer

Trichinopoly

Sir,

I have the honor to inform you that in his No 6 dated 12 June the Superintendent of Police Tanjore wrote to say that the Police Huts built at Meenpesal were not satisfactorily Carried out, and consequently he could not take charge of the same: The overseer at Puttoocotta inspected the buildings in company with the Police Inspector, deputed by the Supt of Police, to point out existing defects; and he writes to say that "in case of having the mud flooring of all the rooms newly made up and the deep cracks in walls repaired and if a coating of good stiff clay be plastered over the walls,

and whitewashed newly, the building will become habitable" but at the same time states that the building has been very badly constructed and that unless the walls are pulled down, and reerected and the doors renewed, the building Cannot be said to be made up properly.

2, I informed the Supt of Police that the repairs required to be done would cost about Rs 20, and that as the Completion report for the work has been already submitted, the repairs might be carried out by his Department, and the building be taken charge of at once, to prevent further detenoration; In reply he tells me that he cannot take charge of the huts, until they are made habitable.

3. The work was carried out to the full extent of the estimate viz Rs 2353, and the usual Completion Certificate ~~was~~ given by Mr Sub Engineer Fox (now retired) and countersigned by Capt Brockman R. E; and there is no balance from which to meet the Extra work required, so that if repairs are to be carried out at all, they should be done on a separate Estimate, which being under Rs 1000 the Department Concerned may carry out the works under resent orders I therefore request you will be pleased to inform me what I should do.

Sir,

I have the honor to forward herewith for your information a report from the Executive Engineer Negapatam regarding certain Police Huts to built at Meerpessal by this Department.

2. The work was completed and a completion certificate given by Mr. Sub Engineer Fox (now retired) and countersigned by Captain Brockman R.E. The Superintendent of Police considers the work unsatisfactory and declines to take over charge. The Executive Engineer was of opinion that the repairs required could be done for

3. This the Superintendent of Police declines to do, and I am obliged to request the orders of Government as this Department has no funds from which to meet extra work, and the repairs being under Rs 1000 should be carried out by the Department concerned.

4. I have the honor to suggest that the Police Department may be instructed to take charge of the buildings.

Sir,

With reference to G.O. No 1936 dated 12 August 1880, I have the honor to inform you that the repairs required to the Police Huts at Meenbessil have since been estimated at Rs 122, and the work has been put in hand and will be completed early in next month. I request therefore that an allotment of Rs 122 may be made at an early date under — Provincial Repairs, Civil Buildings.
