*The humble Petition of K. NADAMUNI NAIDU,
Late Sub-Overseer, 1st grade Chendra-
gheri Taluq in the North Arcot District.*

RESPECTFULLY SHEWETH,

That your Petitioner in his petitions to the Board of Revenue and to their Excellencies the Right Honorable W. P. Adams P. C. and Mounstuart Elphinstone Grant Duff, Governors of Fort St. George and its Dependencies dated 21st February 1881, 14th April 1881 & 4th April 1882, respectively fully represented the facts of his deplorable case in connection with his dismissal by the President, Local Fund Board, North Arcot District, without giving him a slightest chance of explaining himself or taking into his consideration his long and faithful services of upwards of 15 years. The above authorities returned the petitions stating that no appeal lies to them against the decisions of the Local Fund Board. Copies of correspondence together with your petitioner's testimonials are herewith enclosed for your kind perusal and merciful consideration.

2. That your Petitioner now feels keenly that he was mistaken in not having addressed his Petitions through your honor to the Fountain Head of authority for justice and now begs to throw himself at your mercy in the sanguine hope that his present humble appeal will have the desired effect.

3. Your Petitioner further begs to think that his prayer regarding his restoration to his former appointment under the Local Fund Board, is not likely to be complied with by Government, his services having been dispensed with from a Non-Governmental Establishment as per Government Order No. 2310 W dated 19th September 1881. It would not be out of place here to mention that it would be but just and equitable on the part of Government to interfere on the Petitioner's behalf since his services which were at their disposal up to 1st January 1880 were, out of their own choice and pleasure, in pursuance to a certain Ruling passed by them, transferred to the Local Fund Board and by whom he was unjustly and illegally indicted.

4. If however your honor is not disposed to move Government on the point above mooted your petitioner prays that a Taluq Overseer's post might be conferred on him in the expected reorganisation of the Public Works Department or that 3rd pension may be granted to him in consideration of his long and faithful services of upwards of 15 years. The service Roll of the Petitioner now in the Office of the President, Local Fund Board, North Arcot District, may also be called for departmentally for verification.

5. For the above act of kindness and justice your Petitioner as in duty bound,

SHALL EVER PRAY.

PRESIDENT, LOCAL FUND BOARDS,

To

The Secretary to Government
Public Works Department
Fort Saint George

Sir,

With reference to your Endorsement No 909 E. dated 17th Inst ant, P. W. Department, on petition from K. Nadammal Naidu late 1st Grade Sub Overseer, Chendraghiri Taluk, returned herewith with its several Enclosures, calling upon me to state the grounds of dismissal of petitioner and whether he was convicted for submitting false returns, I have the honor to report as follows.

Mr E. A. Passick, the late Local
Fund District Engineer of this
District brought to the notice of
the late President that the Presi-
-dents on being called upon like
other

other Sub Overseers, on the requisition of the Accountant General to furnish statement of landed property possessed by him, rendered a statement showing that he possessed nothing but a little land in Chingleput while it was a fact that he owned a Choultry at Renigunta and several shops. It was also discovered that in a certain Estimate prepared by the petitioner high rates were adopted and distances of quarries were mis-stated in it in order to increase the amount of the Estimate. This fact was made certain by the personal inspection of Mr Parsick.

It was ascertained from the Choudragiri Tahildar that the petitioner possessed one Choultry, 14 shops and 3 house grounds at Renigunta and a market at Trivel-lore besides a trade in red wood at Ballapalli and Mammasur carried on through certain Agents.

Mr Parsick thought that it would

would be injudicious to retain petitioner in the Local Fund Service considering his serious official prevarication and the fact that he carried on an extensive trade in Red wood.

Mr Whiteside agreed with Mr Parsick in thinking that petitioner would be suitably punished by dismissal from office for furnishing false returns in respect of landed property owned by him and decided that his services be forthwith dispensed with and he was accordingly removed from the Local Fund Service.

These are the grounds upon which petitioner was dismissed.

I have the honor to be,
Sir,

Yours most obedient servant,

W. H. M.
