OFFICE NOTE No. 659.

To

W.

With reference to G.O. No. 2119 W
of 17th. August, 1882, I would observe
that as the clocks in question
belong to various Offices and not
altogether to the P.W. Department, the
Estimate might more correctly be
sanctioned as 'Repairs, Civil Buildings'.
Clocks are not classed as Tools and
Plant but as Office furniture, and
ordinarily Repairs would be debited
to Office Contingencies, but in the
present instance, the distribution
of the expenditure to the various
Offices being impracticable, the
charge to Repairs of Civil Buildings
seems the best course.
