Superintending Engineer's Office,  
2nd Circle, Manipal.  
28th October 1882.

From

The Superintending Engineer,  
2nd Circle.

S

The Chief Engineer,  
Public Works Department.

Enclosure: Estimate  
in duplicate.

Sir,

I have the honor to forward  
in duplicate. herewith <sup>for sanction</sup> an Estimate amounting to Rs 1734 for  
Tools and Plant and Supplies for the Langan  
Project.

2. In sending this up, the Executive  
Engineer states that, the Estimate represents  
the Cost of articles purchased during the  
months of August and September.

3. I have informed the Executive En-  
gineer, that the fact, that many of the tools  
would be required, could have been  
foreseen, and that Sanction should ac-  
cording to Rules be applied for prior  
to the articles being purchased.

4. It may occasionally be necessary

in the case of a large work like the  
Langam Project, to obtain quickly some tool  
or tools before sanction could be obtained,  
but this would be exceptional. The present  
practice is to buy the tools, and send the  
Bills as Estimates. This I have requested the  
Executive Engineer to put a stop to.

I have the honor to be,

Sir,

Your most Obedt Servant

J. W. P. M. S. S.

Superintending Engineer,  
2nd Circle.
