G.O., dated 14th November 1882, No. 1306, Judicial.

From G. HAMNETT, Esq., Inspector-General of Registration, to the Chief Secretary to Government, dated Madras, 4th November 1882, No. 3037 G.

In June last I wrote to the Collector of Salem regarding the insufficiency of the accommodation given to the Sub-Registrar of Namakal in the Taluk Cutcherry, and requested to be informed whether any arrangement could be made to give him some more space. The Acting Collector in his reply, received on the 1st instant, says that more space cannot be allotted.

2. I inspected the office on the 5th October 1882. An extract from my notes of inspection is enclosed, and I have the honor to request that you will be pleased to obtain the sanction of the Government for the erection of a new office for the Sub-Registrar of Namakal on the standard design.

ENCLOSURE.

Extract from the notes on the inspection of the Sub-Registrar's Office at Namakal in the district of Salem on the 5th October 1882.

"The office is held in a room in the Taluk Cutcherry. The room is altogether inadequate for the purposes of a rising office like this where, at times, as many as 50 documents are presented for registration in one day. Besides the Sub-Registrar and his three Clerks the room contains two amirahs, a table, three writing desks and two benches. A new office on the standard design is much needed."
