READ—the following papers :—

G.O., dated 12th August 1882, No. 4287, Military.

From A. MACKENZIE, Esq., Secretary to the Government of India, Military Department, to the Secretary to the Government of Bombay, dated Simla, 26th July 1882, No. 323.

Home Department—Medical.

I am directed to acknowledge the receipt of your letter, No. 1932, dated 26th May last, submitting for sanction a proposal made by the Controller of Military Accounts that the Military Department Order, No. 1073, dated 27th January 1871, under which Warrant Officers serving in the Military Department at stations beyond sea are entitled to a passage at the public expense when proceeding on medical certificate from port to port in India, may also be made applicable to Warrant Officers in civil employ who should enjoy the advantage of a free passage on such occasions as a civil charge.

2. In reply, I am to say that the Governor-General in Council approves and sanctions the proposal, which has the concurrence of the Government of Bombay in the Military Department. But, as nothing is said about passage for the families of Warrant Officers, I am to explain that a Warrant Officer employed under the Military Department proceeding from one Indian port to another on leave on medical certificate, who is himself entitled to passage at the public expense, is only entitled to passage for his family if he proceeds on duty with troops, or when not accompanying troops if he himself is furnished with a passage on a vessel belonging to, or hired by, Government and accommodation is available for his family. If a Warrant Officer is provided with a passage for his family, he has to defray all charges for their messing at the regulation rates. This rule should also be made applicable to the families of Warrant Officers in civil employ when passage is provided for them.
