GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

No. 112.

READ—the following letter from Colonel W. S. TREVOR, R.E., Secretary to the Government of India, Public Works Department, (Account—General,) to the Secretary to the Government of Madras, Public Works Department, dated Simla, 7th November 1882, No. 360 A.—G. :—

I am directed to forward, herewith, copy of Finance Department No. 3601, dated 7th September 1882, and to inform you that the whole of the outlay in connection with the Madras Harbour Works, both in India and in England, in 1882-83, must be kept within the grant of Rs. 5,67,000 now sanctioned for the purpose. The provisional grant of Rs. 2,00,000 sanctioned in Public Works Department No. 144 C.W.M., of the 25th April last, is hereby withdrawn.

2. I am to add that as no definite proposal for the reconstruction of the harbour has yet been sanctioned or even submitted, whatever expenditure is incurred must only be for the preparation of materials.

ENCLOSURE.

From R. LOGAN, Esq., Officiating Under Secretary to the Government of India, Department of Finance, to the Chief Secretary to the Government of Madras, Public Works Department, dated 7th September 1882, No. 3601.

I am directed to acknowledge receipt of Colonel Sankey's letter to the Secretary to the Government of India in the Public Works Department, No. 1676 W., dated the 3rd July 1882, in which it is requested that, pending the final orders of the Secretary of State as to the future operations to be undertaken in connection with the Madras Harbour Works, a further grant of 3½ lakhs of rupees may be made to enable the Government of Madras to meet the incidental charges of the current year.

2. In reply, I am desired to say that the state of the finances precludes the Government of India from imposing any additional burden on Imperial Revenue in the present year in excess of what has been already sanctioned, but that for the purpose of meeting the incidental charges, as well as the cost of stores indented for from England during the current year on account of the Madras Harbour, the contribution of Rs. 5,67,000 from Local Funds to Imperial, which by an oversight was transferred to credit of Provincial Funds in the estimates of the current year, may be treated as an Imperial grant for the Madras Harbour Works. The sum of Rs. 5,67,000 will therefore be credited to Imperial in the accounts of the year, and the Public Works grant to Madras increased by an equal amount.

* Original papers returned, a copy being kept of the Madras letter under reply.

Copy forwarded to the Public Works Department,* the Comptroller-General, and the Accountant-General, Madras, for information.
