Enclosures.

SIR,

In continuation of my letter No. 2435, dated 6th Ultimo, I have the honor to report, that the Executive Engineer of the Shingleput Division brings to notice, that there are two Monuments at the village of Pullalore in the Konjeevaram Taluk, one to Colonel Brown, and the other to Captain Hislop, who were killed in the battle at that village in the year 1781. The monuments were last seen by the Executive Engineer last year, they were in good order, and the ground well kept.

I have the honor to be
Sir

Your most Obedient Servant
A. S. Penderast C. E. P. E.
