SUPERINTENDING ENGINEER'S OFFICE,
5TH CIRCLE, MADRAS,
Chepauk, 4th November 1882.

From

THE SUPERINTENDING ENGINEER,
5TH CIRCLE,

To

THE Chief Engineer
S. P. W. P.

SIR,

Enclosures.

I have the honor to report that in August 1880 Captain Sundry the Superintendent of Works of the Buckingham Canal Division appointed Draughtsman Gurusawmy Naidoo, who was then on a salary of Rupees 40, to be the first Draughtsman in his office, that is the position of a 1st Class Draughtsman, paid to the minimum salary of the 1st class viz Rupees 50.

2. Gurusawmy Naidoo, however had at that time a Certificate for

for only a second class Draughtsman; and in the Reorganization of November 1881 when the Office Establishments were recast, I considered that he should not be called a first class Draughtsman, but that his name should be entered in the Pay Bills, as a Second Class Draughtsman, with the same pay that he had drawn previously, Rs 50, which is the maximum pay of the 2^d Class.

In June 1882 the Draughtsman obtained a Certificate for the first Class and was so treated in the next Pay Bill. The Examiner then raised an objection to the pay of Rs 50, having been drawn from August 1880 to June 1882, and required that the difference between Rs 50 and Rs 110 for that period should be refunded - or else

that the Special orders of the Government should be obtained, authorizing him to admit the Draughtsman's pay at Rs 50 from August 1880.

3. Auction ought properly to have been asked for 2 years ago, but there was the salary available, and the Draughtsman was qualified for the place of Head Draughtsman in the Office.

Under these circumstances I beg to recommend that the Examiner may be authorized to waive his demand for a refund of the difference of pay between August 1880 and June 1882.

I have the honor to be
 Your Most Obedt Servt
 H. W. Henderson Esq. P.E.
